

Yusuf Maitama Sule Federal University of Education, Kano (YMSFUEK)

Online Application Procedure for Freshers

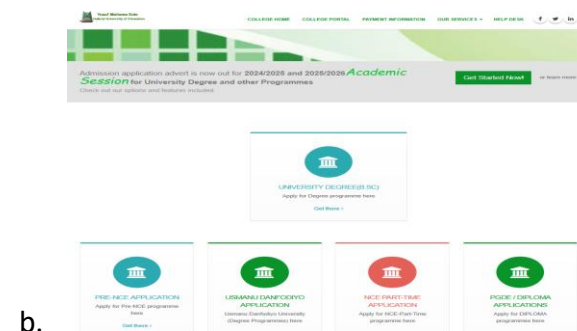

This guide outlines the step-by-step process for prospective candidates applying for admission into Yusuf Maitama Sule Federal University of Education, Kano (YMSFUEK).

Step 1: Visit the University Website

All interested candidates are required to visit the University's official website at <https://www.ymsfuek.edu.ng> as shown in the webpage below.

From the homepage, click on **“Application Form Entries”** located under the **Quick Links** section to access the **Application Forms Dashboard**.

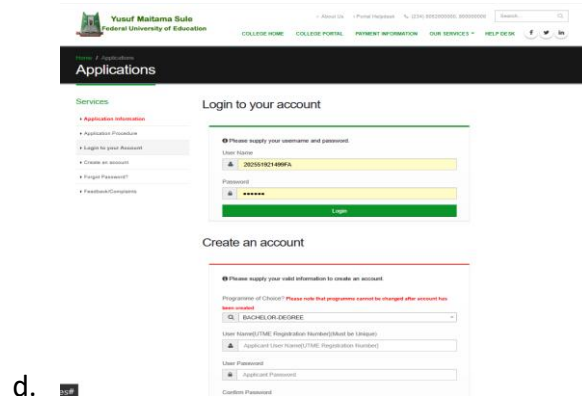

Step 2: Select a Programme of Choice

On the Dashboard, candidates will see a list of available programmes (as shown in Figure 2c).

- Select **“University Degree (BSc)”** if you are applying for YMSFUEK's own Degree Programme.

- Upon selection, the system will redirect you to the **Application Console**.

(Application Console)

Step 3: Create an Account

On the Application Console, candidates are required to **create an account** through the “**Create an Account**” section.

Note: Only candidates who have registered with **JAMB-UTME** and selected **Yusuf Maitama Sule Federal University of Education, Kano (YMSFUEK)** as their institution of choice will be allowed to create an account.

Step 4: Login to Your Account

After successfully creating an account, proceed to the “**Login to Your Account**” section to access the application portal.

This section provides options for making payments and completing the online application process.

Step 5: Payment and Application Form Completion

Candidates are required to pay the prescribed **screening fee** through the payment options provided on the portal.
